EARLALL CONTACT SEMINAR - European competence development

It is with great pleasure that Region Västra Götaland, in conjunction with EARLALL's General Assembly in Göteborg 1st – 2nd October invites HR managers within EARLALL member regions to attend a contact seminar on competence development.

The contact seminar is based on the idea that different HR manager from across Europe meet to communicate and exchange ideas regarding transnational projects aimed at co-workers professional development. Focus will be on **Automotive industry, tourism and care of the ageing population.**

Region Västra Götaland hopes that your member region will consider this opportunity to **send this invitation to HR managers who are sincerely interested in transregional competence development projects.**

Region Västra Götaland has made pre-bookings at a selection of hotels. Last day for booking these is the **1st of September**. If you are unable to book before that date you are kindly asked to make your own bookings. Please contact Mrs Lampinen for further information.

When: Göteborg 2nd October 2009

Time: 09:00-14:00

Where: University of Göteborg

Who: HR managers from private and public sectors who are responsible for competence development
